Sustainable Practices

We is committed to sustainability through:

- Supporting local coffee farming communities with education and resources.
- Using environmentally friendly farming methods.
- Reducing carbon footprint throughout the production process.

PT. RESTU BERKAH ALFATIH

Agrifarm leverages cutting-edge technology and data-driven solutions to optimize farm operations, improve crop yields, and enhance efficiency. From automated irrigation systems to drone surveillance, we embrace innovation to drive agricultural excellence.

Quality Coffee

We ensure the highest quality through:

- Selecting the best coffee beans from various regions of Indonesia.
- Precise roasting processes to bring out the best flavors.
- Packaging that maintains the freshness and quality of the coffee.
